

ANACOSTIA COUNCIL TO CONFEE DEGREES TUESDAY EVENING

Committee Named to Make Plans for Mass Meeting of Mechanics.

WASHINGTON TIMES BUREAU, ANACOSTIA, D. C., FEB. 25.—Anacostia Council, No. 16, Junior Order of United American Mechanics, will perform the unusual ceremony of conferring the first, second, and third degrees successively upon a number of candidates in the Anacostia Masonic Hall on Tuesday evening. The council has named Irving S. Hall, chairman; Maurice McGrath, J. W. Crawford, W. J. Mitchell, and John Simpson as a committee to arrange for a mass meeting of all the councils in the District, as well as the general public, in the local Masonic Hall on March 5. The committee has been notified of the acceptance of invitations to speak on that night by a number of Congressmen, among them are Congressman Lever, Osborn, Finley, and Gordon. The committee will make arrangements for the reception of about 1,000 people.

Anacostia Tent, No. 7, Knights of the Macabees, met last night in the Masonic Hall and considered plans for a river excursion in conjunction with all the other tents in the District next summer. The proposed excursion will be the first one in many years in which the tents of the order have combined.

In order that property holders who are desirous of donating sufficient ground between their respective properties in Anacostia for the purpose of having rear entrances to their houses, the District may learn their rights, Maurice Otterback, of the Anacostia Citizens' Association, is in conference with the authorities at the Municipal building to determine what is necessary to put the plan into effect and to recommend that a systematic plan of opening rear entrances to lots and houses be followed in Anacostia.

Electa Chapter, No. 2, Order of the Eastern Star, will meet on Tuesday evening next in Masonic Hall here, and the visitation of the grand matron and the grand patron of the order, with other officers, is expected to take place.

Mrs. L. J. Smith, president, has called a meeting of the matrons of 1908 of the Order of the Eastern Star for Thursday evening.

The Friendly League, through which social activity is fostered by Anacostia matrons, will meet on Friday afternoon at the home of Mrs. L. J. Smith, in Maple View avenue.

Emmanuel Chapter, No. 191, Brotherhood of St. Andrew, will meet in the Episcopal parish hall tomorrow evening on the call of N. R. Harbison, director.

Gilbert J. Osterman, contractor, is here for a short visit from Wilmington, N. C., where he is engaged for the Hugh McInnis Group of New York, in the construction of numerous buildings for use by the Atlantic Seaboard Air Line. Mr. Osterman and family will leave on Tuesday for Atlanta, Ga., to stay with relatives, following Mr. Osterman's departure.

HAVE AS CORPUS IS DENIED C. J. RIXEY Judge Waddill Refuses to Grant Plea for Freedom Sought by Former Alexandria Banker, Who Will Take an Appeal.

WASHINGTON TIMES BUREAU, ALEXANDRIA, VA., FEB. 25.—Judge Edmund Waddill, in the United States Court for Eastern Virginia, in session in Richmond yesterday, refused the petition of attorneys for C. Jones Rixey, the former Alexandria banker, for a writ of habeas corpus, asked for on the grounds that he had been adjudged insane, and ordered committed to an institution for the criminal insane, without due process of law.

Although denying the petition, the judge granted the right of an appeal direct to the United States Supreme Court. An order has also been issued preventing Rixey's transfer until the settlement of the case.

John L. Jeffries, of Norfolk, and James R. Caton, of Alexandria, appeared before the court and made the application for C. J. Rixey, Jr. An attempt was made by the attorneys, it was said, to get the matter before the supreme court of appeals of Virginia, now in vacation. An appeal to each of the judges is said to have been met with a uniform refusal, they taking the stand that the point raised was not material, and refusing to interfere.

Rixey is now in the custody of Robert H. Cox, Alexandria city sergeant, and is still confined at the Western station at Staunton, Va. Application had been made for a writ of habeas corpus for him at the still uncompleted Marion Asylum for the Criminal Insane where he will probably remain where he is until the final disposition of the case.

The sum of \$400.00 was raised through the sale of tags by the school children of this city on Washington's Birthday.

This will be added to the \$500 the committee now has on hand, and will be applied to the playground and athletic funds. A vote of thanks to Washington and Alexandria newspapers for publicity and to the Hardest Printing Company, Mt. Vernon and Chatham stables, the ladies' committee, the chamber of commerce, and the public in general was tendered by the committee.

Tomorrow morning in the circuit court, Judge J. R. T. Thornton presiding, the first legal step will be taken toward the annexation of the outlying territory when formal application will be made. The judge will then enter an order to that effect, after which Judge Waddill will designate a judge to hear some other objection of the State before whom all future proceedings will be held.

John A. Kelley and Miss Edna Hundley were married in the parsonage of the Methodist Episcopal Church South at 10 o'clock this afternoon by Rev. Harry M. Carter. Both are Washingtonians, but for the last several months, Mr. Kelley has been in Alexandria, and Miss Hundley in this city. The young couple will live in Alexandria.

Kensington Citizens Think \$10,000 Not Enough for Improvement.

ROCKVILLE, Md., Feb. 25.—A meeting of the citizens of Kensington was held to consider the proposition for a sewer system for Kensington. Charles R. Rowdybush was chairman. The proposition to issue bonds for \$10,000 for sewers was discussed and it developed that there is much opposition to the scheme on the ground that the amount is not sufficient for the construction of an adequate system and that a poor system would not be satisfactory.

A committee, composed of William M. Terrell, R. A. Chappell and W. W. Skinner, was named to inquire into the operation of the system at Takoma Park and report at another meeting, the date of which had not been decided.
